Dear P. Michael,

"To serve is beautiful, but only if it is done with joy and a whole heart and a free mind."—Pearl S. Buck, author, humanitarian and Bucks County resident.

Healthlink's mission to provide compassionate, quality medical and dental care to working adults cannot happen without the selfless service that you provide. In 2013, the total donated time for all volunteers was over 6,000 service hours to countless hardworking individuals. This is equivalent to 252 full days spent helping our community become a better and more healthy place to live and raise a family.

Whether you provide outstanding medical and dental care or provide the equally critical administrative support, I want to thank you. Your commitment is a shining example of what Americans are capable of when they are dedicated to their neighbors and a common goal.

Again, I would like to express my sincere appreciation for the work you have done and I hope it will continue in the coming years.

Sincerely,

Mike Fitzpatrick
Member of Congress
